USCINCPAC INSTRUCTION 3810.25E

Subj: USPACOM AERIAL RECONNAISSANCE REVIEW COMMITTEE (PARRC)

1. Purpose. To establish the organization, functions, and responsibilities for the USPACOM Aerial Reconnaissance Review Committee (PARRC).

2. Cancellation. CINCPACINST 3810.25D

3. General. USCINCPAC established the USPACOM Intelligence Board (PIB) to manage intelligence functions within USPACOM. The USPACOM Aerial Reconnaissance Review Committee (PARRC), a committee of the PIB, manages aerial imagery reconnaissance activities within the Pacific Command.

4. Discussion

a. Organization. The PARRC is composed of representatives of the three principal service component staffs, Intelligence Center Pacific (IPAC), and a representative from the Collection Management Division (J23) within the USCINCPAC Staff Intelligence Directorate (J2). Representatives of the sub-unified commands and other USPACOM agencies may also participate in the PARRC. The Chief, Imagery Branch (J231), is Chairperson of the PARRC. (R)

b. Functions and Responsibilities

(1) The PARRC will convene as required at the time and place designated by the Chairperson. (R)

(2) The PARRC will examine intelligence aspects relating to imagery reconnaissance. Areas of interest include:

(a) Collection requirements.

(b) Exploitation requirements.

(c) Dissemination requirements.

(d) Film processing and duplication requirements.

(3) The Recorder will distribute minutes of each PARRC meeting to each participant and to the PIB Secretariat (J22) within seven days. (R)
